Three Essential Steps for a Successful Season

Dear Santiago High School Football Community,

Exciting times are upon us as we kick off another football season with our esteemed Head Football Coach Scott Morrison. With eyes set on a CIF Championship, the expectations for our program soar. To sustain our success, each player's contribution to team fundraising is crucial. Funds raised support essential items such as equipment, uniforms, and travel expenses, ensuring our team operates at its best. Our fundraising goal this year is \$200,000, and achieving this requires every player's commitment and hard work.

Together, let's make this season one to remember. We would be grateful for your support in taking three key actions:

1. Register to our email list & follow us on social media: We invite you to visit www.santiagosharksfootball.com to keep up to date of all football program updates, events, games, and other important news. Give us a follow on social media. Scan QR code below to get on our email list.
2. Volunteer: We believe that volunteering is a cornerstone of our community, and we would be honored if you could commit to volunteering at least twice during the season if you are a parent or guardian. Your support and involvement would make a significant contribution to our players' experience. Look out for sign up emails soon!
3. Donate & support our fundraisers: Donate snack bar items throughout the season & help us reach our goal by participating in our fundraisers.

We appreciate your support of the football program.

Parent Volunteer Information

Every year, the success of Sharks Football hinges on the active involvement of every family. As a 100% volunteer-run, non-profit organization, your participation is very important and needed.

We ask that each family contribute by volunteering for at least two events during the 2025 football season. Each event will require no more than two hours of your time.

There are several volunteer opportunities available to support Varsity, JV, and Freshmen teams during their weekly games.

Snack bar: 2-hour shifts to sell snacks during home games.

Weekly team meals: Donate dinner items for weekly pre-game meals. Buy, cook, prepare or help set up to feed our boys the night before a game.

Weekly game day snack prep: Donate snack items, prepare, bag pre-game snacks.

Photographer: Take pictures at games and share with the board and parents.

Other: Various volunteering opportunities as requested by Coach.

Look out for sign ups soon!
